

Find a Health Plan that Covers You and Your Family with Via Benefits

Via Benefits Insurance Services is a free resource that offers you an online marketplace and personal shopping assistance to make it easier to understand your options and enroll in health insurance. **We are not an insurance company, nor are we directly affiliated with any**—so you get unbiased support and guidance in finding the best plan for you and your family.

What to expect when working with Via Benefits

Personalized, step-by-step guidance

Efficient, accurate enrollment

Unbiased, objective support

Support after you enroll

You can use Via Benefits online to

In our online marketplace, we provide tools that take into consideration you and your family’s particular needs, prescription drugs, and budget. We then allow you to compare the most appropriate plans side by side. If at any time you have questions or can’t find what you are looking for, our friendly support staff is available to assist you over the phone.
